

A close-up, high-contrast photograph of a horse's face, focusing on its eye and the texture of its coat. The lighting is dramatic, highlighting the horse's features against a dark background.

The

WORKHORSE SERIES

MAKES SAMCO QUALITY
MORE AFFORDABLE

GET THE WORKHORSE

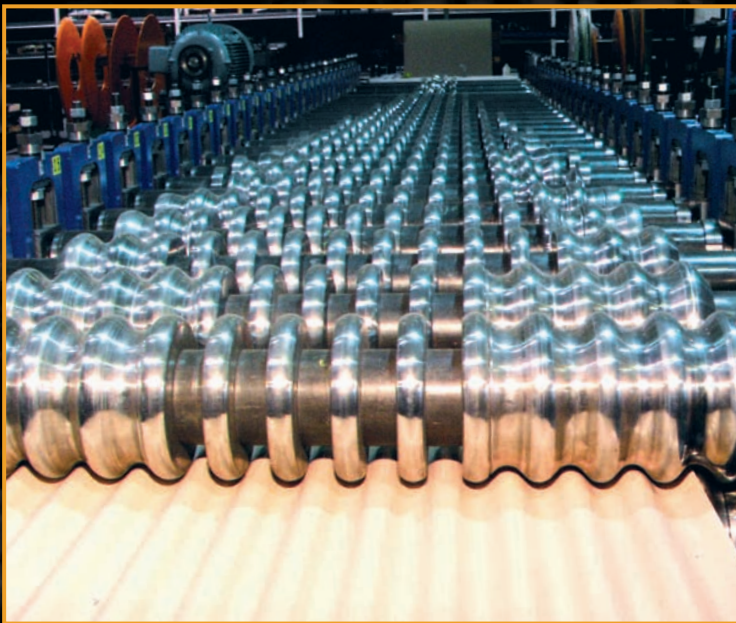

IRONCLAD™ Panel Rollformer

WORKING FOR YOU

INVEST LESS. EARN MORE.

The affordable Workhorse IRONCLAD™ panel rollformer was engineered for customers who want Samco quality combined with those features that would most help their business, but without all the bells and whistles.

The Workhorse IRONCLAD™ Has What It Takes To Make Any Profile

The **IRONCLAD™** Panel Rollformer

- Multiple profiles or DOUBLE HI with rapid changeover using RAFTING
- Flying shear provides continuous non-stop production as an option
- Variable speed control and programmable length system
- Quality roll tooling for custom profiles available

Customized Payment Options

- Flexible Financing • Leasing Programs
-
